

✝ Today is Good Friday. The day the Lamb was slain.
But the world keeps spinning 🌐
The system keeps rising 🏢 ⚙️
And Christ's people?
They must decide who they follow ✂️ 👑

🔥 A prophetic word for this hour has just been released:
"The Mark, the System, and the Victory" 📖 🕊️

It's not a conspiracy ✖️
It's not hype 🚫
It's a call to STAND with Jesus ✝️
—at the edge of culture, at the risk of everything 🩸 🛡️

- ☒ We overcome by the blood
- ☒ By the word of our testimony
- ☒ And by not loving our lives even unto death

If you're feeling the pressure to bow to the beast 🐉
If you're watching AI grow 🤖
If you're in digital spaces 💬 💻
This is your call to discern, to rise, to resist.
